Solo System®

Looking for a more personal experience? Go Solo.

Our Solo System® is personal, portable, affordable and very effective.

Featuring our unique Solocarbon® heating technology, Solo is the original portable infrared sauna. And still the best.

The Solo System

- ▶ Solocarbon® clinically-tested heaters
- ▶ Ultra low EMF technology
- ▶ Modern Bamboo Carbon exterior
- ▶ Zone-based digital heater controls
- ▶ Double-dome, light weight design
- ▶ Exclusive Solopad® & pillow included

Take comfort with the Solopad®

The Solopad® features clinically-tested Solocarbon® heat in a full body pad for total body surround and ultra plush 3" memory foam for the most comfortable and effective sauna experience. Use with the Solo or place on the bed, sofa or chair for soothing far infrared therapy anytime, anywhere.
